THE NEW MONEY REVOLUTION

"A Den of Thieves"

TRUTH AND JUSTICE IS AT HAND

"And Jesus went into the temple of God, and cast out all them that sold and bought in the temple, and Overthrew the tables of the Moneychangers"

The Second Temple in Jerusalem

"Moneychangers" Interesting - The Only Time Jesus Showed any kind of Aggression or Physical Display of Anger in his Entire Ministry. Has The Lord Withdrew His Disdain for Cheating People out of their Money Through Trickery? - NO!

The Federal Reserve Sanctuarium

Today, we are Witnessing a Moneychanging Crime of Monumental Proportions. Every day our Labor and Life Energy is being Stolen from us by a System that was Designed to Transfer the Wealth of All Working People to a Small Elite Class of Money Overlords, whose Only Desire is Power and Control, with Nothing to Offer But Misery and Bondage

THE NEW MONEY  REVOLUTION

The Tally System

The First

Encrypted Ledger

1100-1694

Interest-Free Tokenized Assets

It's Hard to Believe in our Technological age, but there Once was a Time in England that for 600 Years (Before the Banks) Money was Counted on Tally Sticks. Perfectly Forgery Proof Sticks of Wood that were Split LengthWise for Two Parties to Keep Track of Financial Transactions: Mostly Taxes - Lost to History - Can the Tally Stick Era Return?

Honest Money Re-INVENTED

Yes, We Now Have the Technology to Create a System that Can Function as a Debt and Interest-Free Money Ledger, Forever Freeing Humanity from the Fractional Reserve Banking Scheme Dreamed up in Medieval Times. To Create an Asset-Backed Currency where The People Can Once Again Become the Owners of Their Life, Liberty and Property - A Structure of Currency that Eliminates Theft and Corruption by The Oligarchy

THE NEW MONEY  REVOLUTION

The Bank of England

Bank Note • Debt "Security" 1704

Founding

Debt as Money

In England in 1694, A Grand Experiment Was Originated - What if Money was Converted from Something of Value, to a Future Obligation, A Promise to Pay, Blessed by The Government? The World would Never be the Same

War Makes Debt

Empires Cost Money, Discipline Needs to be Maintained Among the Subjects. From the Years 1694 to 1763, England Piled up Massive Debt Fighting Many Conflicts. Just From 1756 to 1763 they Doubled Their Debt from £75 Million to £150 Million

The Experiment Worked! Today, with Very Few Exceptions, The World Operates on a Promise to Pay System - Money Issued as Debt Created from Nothing - The Banks Have Even Gotten the World to Believe that this Unpayable Debt and Unfunded Compounding Interest is a "Security"

Pre-WAR Currency 1770

The Currency Act of 1764

A British Law that Banned the issuing of **Paper Money** in the American Colonies and Required the Withdrawal of **Existing Paper Money**. The Act Demanded the Payment of Taxes owed to the Crown in hard Currency (**Gold and Silver**). The Effect was Devastating to the Colonies, causing a Shortage of Currency, greatly affecting Trade and Commerce

Benjamin Franklin • 1793

"The colonies would gladly have borne the little tax on tea and other matters had it not been that England took away from the colonies their money, which created unemployment and dissatisfaction. The inability of the colonists to get power to issue their own money permanently out of the hands of George III and the **international bankers** was the Prime reason for the *Revolutionary War*"

THE NEW MONEY REVOLUTION

Failed Fiat Currencies

History is Littered with **Empires** that Have Collapsed for Many Reasons, but one of the Surest Ways to Destroy a Society is to **DEBAUCH ITS CURRENCY**. The **Federal Reserve Dollar** has Lost **97%** of its Value Since its Introduction in 1913. The **New USA Dividend Dollar** is a **Revolution** in Wealth Preservation

The Silver Swindle

ROMAN ERA

U.S.D.C. ERA

- Silver has been the Central Medium of Exchange for CENTURIES
- **The Big Banks** Know that they Must Suppress the Price to Maintain the **Illusion** of Value for their **Fake Fiat Debt Money System** to Continue

THE NEW MONEY REVOLUTION

Greenbacks

1862-1865 • **THE UNION**

To Fund the Union Cause in the Civil War, European Banks wanted to charge 24% to 36% Interest. Instead, Lincoln Printed Debt and Interest-Free Greenback Paper Currency to Continue the War. \$450 Million Greenbacks were Printed (About 8% of GDP)

THE PANIC OF 1873

Several Factors Converged in the Fall of 1873 to Create a Panic and a Depression that lasted for years. The Two Main Monetary Causes were the Planned Calling in of Greenbacks and the Demonetization of Silver, Which Contributed to a Stock Market Crisis

The Greenback Party Emerged Out of the Financial Chaos of 1873 with a Simple Idea - That the Government Should Issue (Unbacked) Debt and Interest-Free Money to Stifle the Influence of the Big Banks. While having Half the Equation for Honest Money in-hand their approach still led to the Disaster of The Federal Reserve Act of 1913, which gave us 100 Years of Servitude

THE NEW MONEY REVOLUTION

The Crime of 1873

DOLLAR to SILVER Ratio

An Ounce of Silver for a Day's Labor

During a hundred year period, from 1773 to 1873, a Single Ounce of Silver Paid For the Average Laborer's Daily Wage. Today, it would take nearly **10 Ounces of Silver** for a day's wage

The War on the Price Silver has lasted 150 years. If only **2% of the World's Population Bought 1 Ounce of Silver**, the True Price of Silver would be Revealed, Which is Between **10%-20% of the Price of Gold**

CRIMINAL

The Federal Reserve System was established in 1913 as a Master Class Financial Scheme. An Enigma so Diabolical and Obscure that for over a Hundred Years it has Foiled Any Attempt to Decipher its Dastardly Code of Destruction

NOT FEDERAL

These Founding Fathers of Deception knew that their Plan was the Perfect Formula to Deceive and Compromise the Politicians of the day, to turn over the Keys to the Magic Kingdom of Wealth Creation

NO RESERVES

The Plan was to Create a Ponzi Scheme at the Highest Level. A Never Ending Cycle of Debt and Interest to Trap The American People into a life of Servitude. To take from the Government its Sacred Duty to Coin Money, and Regulate the Value Thereof

AN ILLUSION:

A misinterpretation or a deceptive perception of reality

TAKE Fungibility

For Much of the last 400 years, the Banks, with the Complicity of Government, have maintained a Carefully Controlled Illusion - That **Money** is Fully Backed by **Real World Assets** -

In Truth Money is Nothing More than a Promise to Pay In Fake **Debt-Backed "Assets"** on an Infinite Timeline

THE NEW MONEY REVOLUTION

Rigged by the Banks

THEFT • HEIST • ROBBERY • LARCENY

From its Inception in 1910 on Jekyll Island, The Federal Reserve along with Fractional Reserve Banking was designed to Extract Wealth from the Working Class to the Unproductive Banking Class. It was a Carefully Crafted Scheme to Skim 20% of all Commerce and Wealth Creation into the hands of an Elite Few - They Knew, That if Successful, America would be Trapped in a Debt Spiral Impossible to Escape from

It Meant Bankruptcy and Unemployment for Millions of Americans - For the Banking Cartel - Opportunity - The Greatest Consolidation of Wealth in Human History

Power and Greed

By Any Means Necessary - In The Banking World its the Motto of the Game - Extraction of Wealth - Lending Money Created from Nothing to Buy Assets on Margin is the Perfect Application of this Principle. A Bait and Switch Margin Call is all that's Needed to Scoop up any Asset for Pennies on the Dollar - The Boom & Bust Cycle, the Favorite Tool of the **Banking Cartel**
